Another country
Another soil
Another place to fight for
Another story
Another cause
Another reason to die for

Another mission
Another goal
Another reason for not growing old
Another home
Another son
Another place dead and gone

When you here us walking, you know
what you're about to receive
No time for walking, you better
be on your way

Here we are
Take you out
Here we go
1st Regiment
Here we are
Take you out
Here we go

When you here us wlking, you know
what you are about to receive
No time for talking, you better
be on your way

Another country
Another soil
Another place to fight for
Another story
Another cause
Another reason for
War!

Here we are
Take you out

Here we go
1st Regiment
Here we are
Take you out
Here we go

When you here us walking, you
know what you are about to receive
No time for talking, you better
be on your way
