Rollin on the highway feeling kind of good
Got a bunch of powers roaring under my hood
Glazing in the mirror, what can I say?
Next thing, some stupid ass is reading
my rights to me

Despised my self a plan
About where I'm gonna spend the night
After this incident I guess it's no longer right
Naked in your bed that's where I wanna be
First I got to find a way to set my ass free

That's right!
Hell Yeah!

Trouble with the law
I had it coming
Trouble with the law
I had it coming

Meet this little chick looking so goddamn sweet
Her body tan from her top to her feet
How could I tell
How could I know
Showed up in my room with an ID card ready to go

Hell Yeah!
That's right!

Trouble with the law
I had it coming
Trouble with the law
I had it coming

Let's ride.....

Hell Yeah!
That's right

Trouble with the law
I had it coming
Trouble with the law

I had it coming

Trouble!

That's right you motherfuckers
