Long legs, good lookin'

Won't you come over here

Red lips, sweet talkin'

Don't you come too near

Here we go

That's right

Come on

You bring the roses

I bring the wine

Tonight you know I'll make you mine

You got a reason

I got a cause

Tonight you know I'll make you mine

Less talk, more drinkin'

We got a lot to do

Her sweat, sweet shakin'

Can it all be true

Here we go

That's right

Come on

Show me your tits!
