"Baby Come Back"

Spending all my nights, all my money, going out on the town

Doing anything just to get you off of my mind

But when the morning comes I'm right back where I started again

And trying to forget you is just a waste of time

Baby come back, any kind of fool could see

There was something in everything about you

Baby come back, you can blame it all on me

I was wrong, and I just can't live without you

All day long wearing a mask of false bravado

Trying to keep up a smile that hides the tears

But as the sun goes down I get that empty feeling again

How I wish to God that you were here

Baby come back, any kind of fool could see

There was something in everything about you

Baby come back, you can blame it all on me

I was wrong, and I just can't live without you

Now that I put it all together

Give me the chance to make you see

Have you used up all the love in your heart

Nothing left for me, is there nothing left for me

Baby come back, any kind of fool could see

There was something in everything about you

Baby come back, listen baby, you can blame it all on me

I was wrong, and I just can't live without you

I was wrong, and I just can't live
