Here you go, way too fine
Don't slow down, you're gonna cry
She should, watch you stay here
Don't look out you're gonna break your neck

So, shush, shut your mouth
I'm not listening anyhow
I've had enough of you
Enough to last a whole lifetime through

So what, what do you want of me
I go no words of sympathy
And if I, I go around with you
You know that I'll get messed up too
With you, with you

Na-na-na-na na-na-na-na na-na-na-na
You gonna crash
Na-na-na-na na-na-na-na na-na-na-na

So here you go, way too fast
Don't slow down you gonna crash
You don't know what's been going down
And you've been running all over town, so

So, shush, shut your mouth
I'm not listening anyhow
I've had enough of you
Enough to last a whole lifetime through

So what, what do you want of me
I go no guilt or misery
And if I, I go around with you
You know that I'll get messed up too
With you, with you

Na-na-na-na na-na-na-na na-na-na-na
You gonna crash
Na-na-na-na na-na-na-na na-na-na-na
You gonna crash
Na-na-na-na na-na-na-na na-na-na-na

You gonna crash
Na-na-na-na na-na-na-na na-na-na-na
You gonna crash
Na-na-na-na na-na-na-na na-na-na-na
You gonna crash
Na-na-na-na na-na-na-na na-na-na-na
You gonna crash
Na-na-na-na na-na-na-na na-na-na-na
You gonna crash
Na-na-na-na na-na-na-na na-na-na-na
