Sleep some nights it just don't show  
When you've pushed and life won't go  
Your dreams get lost and your sorrows grow  
You read and try to watch T.V. take a drive out to the  
sea  
You might break down but you can't break free.  
Standin' in the crossfire  
hangin' from a live wire.  
Reachin' for a lost smile and hidin' in the wind.  
Standin' in the crossfire  
stranded on a high wire  
Runnin' for a reason  
lookin' for a friend.  
Dream your eyes are almost blind  
They photograph your mind  
And leave a trace of her love in time.  
Night's  
you live the smokey past  
Try to break the spell she cast.  
You start out first but you end up last.  
Standin' in the crossfire  
hangin' from a live wire . . .
