It started with a smile and a brush of your hair
Though we got a little close, there was no slow dance
How the world seems to spin around just for me and
you
It took us by surprise when it hit us in our hearts
Such unbridled passion from an innocent start
It stunned us for awhile but now we know what we're

Gonna make it last, gonna make some dreams come
true.

Chorus:

We've been feelin' the feelin'
From a shine up above
We've been steadily steelin'
Wvery moment we can
'Cause we can't get enough
We've been feelin' the feelin'
Flyin' on the wings of a dove
We've been feelin' the feelin'
And the feelin' is love.

And the earth seemed to move when I whispered to you
Darlin', we woke up this feelin' from it's lonely sleep

Chorus:

We've been feelin' the feelin'
From a shine up above
We've been steadily steelin'
Wvery moment we can
'Cause we can't get enough
We've been feelin' the feelin'
Flyin' on the wings of a dove
We've been feelin' the feelin'
And the feelin' is love.

Chorus:

We've been feelin' the feelin'
From a shine up above
We've been steadily steelin'

Wvery moment we can
'Cause we can't get enough
We've been feelin' the feelin'
Flyin' on the wings of a dove
We've been feelin' the feelin'
And the feelin' is love...
