You're the only one, whose ever hurt my soul
I might be lonely now, but I won't be lonely long
Take a look at me baby, tell me what do you see
Take a look at me baby, you're looking at a brand new
me

I'm like a total stranger, knocking at your door
But there's no need to worry, about the way I was
before
It's a new lovestory, so read every line
You be the judge and the jury
I'm guilty of the crime

Chorus:
I'm guilty of... I'm guilty of the crime
Yes I'm guilty of... guilty of the crime

Solo

I'm saving all my loving just for you
Cause there's nothing more, that I would rather do
It's a new lovestory, so read every line
You be the judge and the jury
Cause I'm guilty of the crime

Chorus
... Oh I'm guilty of... guilty of the crime (for loving you
baby) x4
