I don?t love anyone  
You?re not listening  
You?re playing with something  
You?re playing with yourself  
I don?t love anyone  
You?re not listening even now  
You?re playing with someone  
You?re playing with someone else  
And if there?s one thing that I learned when I was a child  
It?s to take a hiding  
I don?t love anything  
Not even christmas  
Especially not that  
I don?t love anything  
No, I don?t love anyone  
Maybe my sister  
Maybe my baby brother too, yeah  
I don?t love anyone  
But if there?s one thing that I learned when I was still a child  
It?s to take a hiding  
Yeah if there?s one thing that I learned when I was still at school  
It?s to be alone  
Out in the street today  
The kids are playing, having fun  
I pass them by  
I?m not a kid, no  
I don?t love anyone  
I met a man today  
He told me something pretty strange  
There?s always somebody saying something  
He said, the world is as soft as lace.  
But I don?t love anyone
