"Let Your Love Flow"

There's a reason for the sunshinin' sky
And there's a reason why I'm feelin' so high
Must be the season when that
Love light shines all around us

So, let that feelin' grab you deep inside
And send you reelin' where your love can't hide
And then go stealin' through the
Moonlit nights with your lover

Just let your love flow like a mountain stream
And let your love grow with the smallest of dreams
And let your love show and you'll know what I mean
It's the season

Let your love fly like a bird on a wing
And let your love bind you to all livin' things
And let your love shine and you'll know what I mean
That's the reason

There's a reason for the warm sweet nights
And there's a reason for the candlelights
Must be the season when those
Love lights shine all around us

So, let that wonder take you into space

And lay you under its loving embrace
Just feel the thunder as it warms your face
You can't hold back

Just let your love flow like a mountain stream
And let your love grow with the smallest of dreams
And let your love show and you'll know what I mean
It's the season

Let your love fly like a bird on a wing
And let your love bind you to all livin' things
And let your love shine and you'll know what I mean
That's the reason

Just let your love flow like a mountain stream

And let your love grow with the smallest of dreams
And let your love show and you'll know what I mean
It's the season

Let your love fly like a bird on a wing
And let your love bind you to all livin' things
And let your love shine and you'll know what I mean
That's the reason

Just let your love flow like a mountain stream
And let your love grow
