Driving along on that endless road
Just headin' for the silver sky.
Rolling along to a brand new song
Dreamin' up another lie.

Through mountains into canyons
Where rivers run below.
Still movin' down that highway
Lookin' for a place to go.

'Cause I'm a Neon Cowboy
And I'm a ridin' that freedom road
A neon cowboy and your tears
Are my only load.

Always lookin' for that rainbow
Whereever I may roam
A neon cowboy's always
Comin' home.

I watch T.V. in my motel room
Till I lose the light of day.
Then I slip into a six pack dream
And drink the night away.

The city lights are flashin'
And I'm starin' at the phone
But it's much to late for callin'
Feelin' like I'm far too gone.

'Cause I'm a neon cowboy
And I'm a ridin' that freedom road
A neon cowboy and your tears
Are my only load.

Always lookin' for that rainbow
Whereever I may roam
A neon cowboy's always
Comin' home.

I'm a neon cowboy
And I'm a ridin' that freedom road

A neon cowboy and your tears
Are my only load.

Far beyond the blue horizon
Wherever I may roam
Your neon cowboy's always
On the run.

I'm a neon cowboy
And I'm out on this road alone
A neon cowboy in my heart
I can feel your song.

I'm still lookin' for that rainbow
Wherever I may roam
Your neon cowboy's always
On the run.
