Coffee black, cigarette
Start this day like all the rest
First thing in the morning that I do
Start missing you.

Chorus:
Some broken hearts never mend
Some memories never end
Some tears will never dry
My love for you will never die.

--- Instrumental ---

Coffee black, cigarette
Start this day like all the rest
First thing in the morning that I do
Start missing you.

Rendezvous in the night
A willing woman to hold me tight
And in the middle of love's embrace
I see your face.

Chorus:
Some broken hearts never mend
Some memories never end
Some tears will never dry
My love for you will never die.

Chorus:
Some broken hearts never mend
Some memories never end
Some tears will never dry
My love for you will never die.

--- Instrumental (Backup singers in Spanish) ---

Some tears will never dry
My love for you will never die.

Chorus:
Some broken hearts never mend

Some memories never end
Some tears will never dry
My love for you will never die.

Chorus:
Some broken hearts never mend
Some memories never end
Some tears will never dry
My love for you will never die...
