I've got a strong weakness
Baby, I'm gone on your sweetness
Oh baby, stoned on your love.

I've got a chillin' fire
Baby, I'm gone on desire
Oh baby, stoned on your love.

Baby, I've got to say
Baby, I've got to say
You're good when you're bad.

I've got a strong weakness
Baby, I'm gone on your sweetness
Oh baby, stoned on your love.

--- Instrumental ---

I feel painful pleasure
That no rule can measure
Oh baby, stoned on your love.

I've got a strong weakness
Baby, I'm gone on your sweetness
Oh baby, stoned on your love.

I've got a strong weakness
Baby, I'm gone on your sweetness
Oh baby, stoned on your love.

I've got a strong weakness
I've got a strong weakness
I've got a strong weakness...
