He raped me in the chalet lines
The girl I shared with
was away for the night
I couldn't get up for my shift
today
I'll have to leave the camp now anyway
I'll go to
london there's a mate of mine I know
She'll give me a
place
Full of woe and further to go
She caught the
bus
Oh I'll go anywhere
She caught the bus
Her face was
just a smear on the pane
He raped me in the chalet
lines
I had just said no for the final time
Although it's
last month it's like yesterday
I missed my time, I don't
think I could stand
To take the test, I'm feeling sick
Fuck
this, I've felt like this for a week
I'd put a knife right
into his eyes
My friend can't see
She asks me why I
don't
Tell the law
Oh what's the fucking point at all
He
raped me in the chalet lines
It was a party, it was going
fine
With the boys from the amusement park
A few were
idiots, they were a really good laugh
They had the
shows on till way after dark
I hope she'll give me a
place
Full of woe and further to go
She caught the
bus
Oh I'll go anywhere
She caught the bus
Her face was
just a smear on the pane
