Poso Kofuni's woods witness  
Countless ca'davers in tragic WuShe autumn  
Toppling in-to River Acheron  
Float away from rived memories  
Death comes! Battle rages on  
No doubts in warriors' heart  
The end immaterial, All  
Hearts set on honor once more  
Poso Kofuni's woods bends with  
Desiccated corpses in dark WuShe autumn  
Slides in-to River Acheron

Relinquishing their mortal hold  
Forth ward! Cowardly Surrendering  
Far from their hearts and minds  
The end immaterial, All  
Hearts set on honor once more  
Hbalaw Khoni yahren su na megena ga emnu  
To war! The end approaches  
Fate tied to justice regained  
Flags fly, beckoning the worthy  
Souls to Rainbow bridge
