Got something for you, darling  
That you never never had  
Got something for you, darling  
That you never never had

I got a lotta  
Good loving, good loving  
Make me feel so bad

Give something to me, baby  
Make me know you're mine  
Give something to me, baby  
Just a little bit of time

Some of your  
Good loving, good loving  
Make me feel so fine

True, fine loving  
A whole lotta hugging  
You're nothing but a lover  
Baby, I need your good love

Got something for you, baby  
You know you're out of sight  
Got something for you, baby  
Come on, treat me right

Some of your  
Good loving, good loving  
Good loving tonight

True, fine loving  
A whole lotta hugging  
You're nothing but a lover  
Baby, I need your good loving

Got something for you, baby  
That you never never had  
Got something for you, baby  
That you never never had

I got a lotta  
Good loving, good loving  
Make me feel so bad

Good, good loving  
A whole lotta hugging...
