Yeah school is out
And the weekends here
*Hey hey the weekends here
Wait for the bell
Never thought it would ring yeah
*Hey hey the weekends here
Well now you're out
Out on the street
The sound of the musics
Gonna ring in your feet
Come on everybody
The weekends here
*Hey hey the weekends here
Put aside your books
Your pencils, your erasers
*Hey hey the weekends here
The musics got a beat
Its gonna send ya
*Hey hey the weekends here
[The singers really hip]
[The records a groove]
[- - - -]
Gonna make you wanna move
Come on everybody
The weekends here
*The week
The weeks so long
Never thought it would pass
Exams are all over
Couldnt wait to get out of class
So I could dance
So I could dance
Yeah Yeah Yeah Yeah
Its Friday night
And things are goin strong yeah
*Hey hey the weekends here
[Sounds like thunder]
Sweepin cross the floor yeah
*Hey hey the weekends here
Saturday night another great dance
Come on baby lets a take a chance

Come on everybody
The weekends here
*Hey hey the weekends here
Come on everybody
The weekends here
*Hey hey the weekends here
Come on everybody
The weekends here
*Hey hey the weekends here
