Eight o'clock in the morning  
And I'm movin' on out to school  
With an open book and a sleepy look  
The teacher can't be fooled

I catch a pass in an early class  
The teacher will never know  
That I postponed my work at home  
Watching the evening show

Hey, there Anthony boy  
Why you in such a rush?  
The girl she wanna talk to you  
Look at him he's a blush

Three o'clock in the afternoon  
Completes a day of school  
Before the ding can cease the ring  
He's in the vestibule

Betty and Barbara and Jeanie and Jane  
Are yackity-yackin' with Joan  
About some things that Anthony  
Told her over the telephone

Hey, there Anthony boy  
Why you in such a rush?  
The girl she wanna talk to you  
Look at him he's a blush

Hey, there Anthony boy  
Why you in such a rush?  
The girl she wanna talk to you  
Look at him how he blush

Betty told me the secret  
That I had told her not to tell  
Now that you know she knows I know  
You know that all is well

Come, come Tony me boy  
Now don't let 'em get in your hair

With a good education you may  
Become a multi-millionaire

Hey, there Anthony boy  
Why you in such a rush?  
The girl she wanna talk to you  
Look at him he's a blush
