Well, I'm driftin' and driftin' like a ship out on the sea  
Yes, I'm driftin' and driftin' like a ship out on the sea  
Ah, you know I ain't got nobody in this world to care for  
me

Ah, if my baby would only take me back again  
Mm, if my baby would only take me back again  
Well, you know I ain't good for nothin', darlin', and I  
haven't got a friend

Please come back, baby, baby, please come back  
home

Please come back home, baby, baby, please come  
back home  
I wanna show you just how much I love you, and how it  
feels to be alone
