You know sometimes I'm a rocker and sometimes I'm
all a roller.

I may go down sometimes but I come back to
rock'n'roller

We were out on the floor when they played number
one,

We were rockin' and a rollin' and really havin' fun

I'm a rocker, yeah; I'm a roller,

I may go down sometimes but I come back to
rock'n'roller

We were out the floor when they played number two

You know she claims she don't, but I know she do

I'm a rocker, yeah; I'm a roller

I may go down sometimes, but I come back to
rock'n'roller

We were out on the floor when they played number
three

Believe me, I was diggin' her and she was diggin' me

I'm a rocker, yeah; I'm a roller

I may go down sometimes, but I come back to
rock'n'roller

We were out on the floor when they played number four

She done freak me out and I was ready to go

I'm a rocker, I'm a roller

I may go down sometimes, but I come back to
rock'n'roller

We were out on the floor when they played number five

I was lit up like a green light on a one-way drive

I'm a rocker, I'm a roller

I may go down sometimes, but I come back to
rock'n'roller

We were out on the floor when they played number six

I was stone getting firm like a cement mix

I'm a rocker, I'm a roller

I may go down sometimes, but I come back to
rock'n'roller

We were out on the floor when they played number
seven
We caught a taxicab and told him to take us to heaven
I'm a rocker, I'm a roller
I may go down sometimes, but I come back to
rock'n'roller

We were out on the floor when they played number
eight
She was right on time, and I wasn't a second late
I'm a rocker, I'm a roller
I may go down sometimes, but I come back to
rock'n'roller

We were out on the floor when they played number ten
We had a coke, a cheeseburger, went and did it again.
I'm a rocker, I'm a roller
I may go down sometimes, but I come back to
rock'n'roller

We was all freaked out when the band went down
And we all got together and went around and around
I'm a rocker, I'm a roller
I may go down sometimes but I come back
Rockin', rollin', rockin', rollin', rockin'
N'rollin' and really havin' fun
I'm a rocker, I'm a roller
I may go down sometimes but I come back to
rock'n'roller
