As I walked down the street
Seems everyone I meet
Gives me a friendly Hello
Guess I'm just a lucky so and so

Birds in every tree
Seem all so near to me
They sing wherever I go
Guess I'm just a lucky so and so

If you should ask me the amount
In my bank account
I would have to confess
That I'm slippin'
But, that don't worry me
Confidentially, I got a dream that I'm tippin'

And when the days through
Each night, I hurry to
Home where love ways I know

Guess, I'm just a lucky so and so

If you should ask me the amount
In my bank account
I would have to confess
That I'm slippin'
But, that don't worry me
Confidentially, I got a dream that I'm tippin'

And when the days through
Each night, I hurry to
Home where love ways I know
Guess, I'm just a lucky so and so

Woo
Just a lucky so and so
