I got a nineteen sixty-six cherry red Mustang Ford.
It's got a three hundred and eighty five horsepower
over load
You know it's way too fast to be crawlin' on these
interstate roads.

I broke her in at the airport on a runway at the J.F.K.
I just touched the gas pedal and like to ran off into
Jamaica Bay
I had to spin the wheels backwards or the momentum
would have carried me away

It's getting to be a big problem trying to figure the
best possible route

I tried to stop in Indianapolis once, and had to back up
from Terre Haute
But now I can slow and stop her with my windbreaker
parachute
