The things that I used to do
Lord I won't do no more
The things that I used to do
Lord I won't do no more

I used to sit and hold your hand, baby
Begging you not to go

I used to search all night for you, baby
And my search was always anything
I used to search all night for you baby
And my search was always anything

Yeah, and I knew all along, Darlin'
You was out somewhere with your other man

I'm gonna send you back to your mother, baby
Lord, I'm going back to my family too
I gonna send you back to your mother, baby
Lord, I'm gonna back to my family too

Nothing I ever do pleases you, Darlin'
Lord, I just can't get along with you
