Keep what you got  
Until you get what  
You need y'all

You got to give a lot  
Just to get what  
You need sometimes y'all

Gimme the bridge now

I feel like busting loose  
Busting loose  
Gimme the bridge now

I feel like busting loose  
Busting loose now

Busting loose in the evening  
Busting loose can be pleasing  
Talking bout busting loose

Busting loose in the meantime  
Busting loose makes you feel fine  
Talking bout busting loose

Busting loose to my love jones  
Busting loose to each his own  
Talking bout busting loose y'all

Busting loose to my love jones  
Busting loose to each his own  
Gimme the bridge y'all

I feel like busting loose  
Busting loose now  
Gimme the bridge y'all

I feel like busting loose  
Gimme the bridge now  
Gimme the bridge now

I feel like busting loose

Busting loose

I said sha la, come on  
Y'all said (put your money down)  
I said, sha la, get it  
Y'all said (put your money down)  
I said sha la, come on  
Y'all said (put your money down)  
I said sha la, hit it  
Y'all said (put your money down)  
Gimme the bridge now

Now I feel like busting loose  
Give me the bridge, y'all  
Give me the bridge, y'all now

Now I feel like busting loose  
Busting loose now

Busting loose when you want to deal  
Busting loose doing what you feel  
Talking bout busting loose, girl

Busting loose when you want to deal  
Busting loose doing what you feel  
Talking bout busting loose now

Busting loose when you want to sing  
Busting loose, baby, do your thing  
Talking bout busting loose, girl

Busting loose when you want to sing  
Busting loose, baby, do your thing  
Give me the bridge, y'all

Give me the bridge, y'all  
Give me the bridge now now

I feel like busting loose  
Busting loose now

Get, get, get, get, get, get on down  
(Get, get, get, get, get, get on down)  
Get, get, get, get, get, get on down  
(Get, get, get, get, get, get on down)  
Get, get, get, get, get, get on up, y'all  
(Get, get, get, get, get, get on down)

Get, get, get, get, get, get on down  
(Get, get, get, get, get, get on down)  
Get, get, get, get, get, get on up, y'all

(Get, get, get, get, get, get on down)  
Get, get, get, get, get, get on down  
(Get, get, get, get, get, get on down)

Get, get, get, get, get, get on up, y'all  
(Get, get, get, get, get, get on down)  
Get, get, get, get, get on down, down, down  
Get, get, get, get, get, get on down)

Get, get, get, get, get, get on up, y'all  
(Get, get, get, get, get, get on down)  
Get, get, get, get, get, get on down  
(Get, get, get, get, get, get on down)

I feel like busting loose  
Give me the bridge now  
Give me the bridge now now

I feel like busting loose  
Busting loose now

I feel like busting loose  
Busting loose, y'all

Freak, freak-a-deek (5x)  
Ah, freak, y'all  
Freak, freak-a-deek (2x)  
Ah, freak now  
Freak, freak-a-deek (3x)  
Ah, freak now  
Freak, freak-a-deek (6x)  
Oh, I like that part there now

Freak, freak-a-deek (4x)  
What's that new dance  
Y'all doing there  
Freak, freak-a-deek (10x)  
God Almighty

Freak, freak-a-deek (4x)  
Oh, go on now  
Freak, freak-a-deek  
Freak, freak-a-deek

Hey, Leroy, give me some  
Of that horn right here  
Sound a little horn  
Well, well

Got to do it again  
So you got to do it again

Hey, hey  
Give me some of that  
Good Lord, hit it
