Baby, you walked out on me
Leaving me in misery
Now you want me back again
But I've got news for you, my friend

I wanna know, do you want me
(Yeah) do you love me (yeah)
Do you need me (yeah)
Real bad (yeah) real bad (yeah)

Then beg me, beg me, beg me
Beg me in the morning
Beg me in the evening, beg me

Now get down on your knees
And let me hear you say it, please
I want you to beg me

Once I loved you desperately
What a hold you had on me
Now you left me sad and blue
But now the table's turned on you

Tell me, do you want me
(Yeah) do you love me (yeah)
You sure you need me (yeah)
That bad (yeah) real bad (yeah)

Then beg me, beg me, beg me
Beg me, morning
Beg me, evening, beg me

Now get down on your knees
And let me hear you say it, please
I want you to beg me, yeah

Girl, I don't pity you
You know why
'Cause you didn't pity me

I begged you not to leave
I told you how I grieved

But you left and I'm free

I wanna know, do you want me (yeah)

You're sure you need me (yeah)

Do you love me (yeah)

Real bad (yeah) real bad (yeah)

Then beg me, beg me

Oh, God, beg me

I knew you would

'Cause you left me all alone

I knew you would

Now you're back

And you gotta beg me

Louder, I can't hear you
