I still love you
Like I did before
But before you smile
And walk through the door, darling

[CHORUS]

I don't wanna cry
I don't wanna cry
No more, no, darling, no more

You come and go
Like the morning sun
I was so serious
But you were having fun
Now, baby, now

[Repeat CHORUS]

Welcome to my lips
Welcome to my arms
Oh, welcome to my
My little heart

Girl, you are welcome
To everything I have to offer you
So come on and now, take it
Take any part, yeah, yeah, yeah

Mama, I know I've been wrong
I need you, come on home
But before you get here

[Repeat CHORUS]

Come on, walk on in
Walk on in
You can come on in
Baby, baby, baby, baby
Walk on in

Baby, walk on in
