I don't have plans and schemes  
And I don't have hopes and dreams  
I don't have anything  
Since I don't have you

And I don't have heart's desires  
And I don't have happy hours  
I don't have anything  
(Anything, anything)  
Darling, since I don't have you

I don't have happiness  
And I guess I never will again  
When you walked out on me  
In walked old misery  
And it's been here since then

I don't have love to share  
I don't have one who cares  
I don't have anything  
(Anything, anything)  
Baby, since I don't have you

And I don't have heart's desires  
And I don't have happy hours...
