(feat. Kangel)

One Day At A Time I See Pain Passing By
Feelin Tears On The Girls Everytime They Would Cry
Im Always Here To Listen To My Familys Trouble
But When I Tryta Listen The Burden Is Doubled
Gettin So Behind, So Im Down For The Rest
Always Gettin Pushed Cuz I Gotta Be The Best
If I Tried To Run Away And No Look In The Past
If I Was To Run Away And Life Didnt Last
Would The Crush That I Had, Think About Me Twice
Would The Bully At Skool Start Tryin To Be Nice
So Many Questions And Worries All In One
I Wonder If Happiness Could Be Within A Gun
The Shouldas, Woulda, Couldas, And The Maybes, And
The Gotta
Show Me That I Understand Everything I Wanna
So Im Sitting Down Thinking Of Where I Lie
The Words In My Head Is To Live Or To Die

[Hook:]

Your The Man Im Holding On
With A Breath I Sing A Song
And Flowers Gone 2morrow
Will The People Cry In Sorrow
I Dont Know If Im Alive Or Dying
But Alone I Be Here Crying
But I Know One Things For Sure
My Saddness Has One Cure

My Life Aint Special Nah It Aint Close
Stripped From Anything I Ever Loved Most
Handled My Stuff All These 17 Years
Lived My Life With Death Overcame My Fears
I Started As A Nobody Now Im Somebody
Kats Tryin Take My Life Lets Go Buddy
I Dont Fear Death But I Ask Wat If
Will I Still Be Known For Da Raps That I Spit
Life Is Full Of Is But With Pain You Gotta Bear
This Life I Live Could Be Lost Within A Stare
Always Wondered Which People I Could Trust
Cuz Da World Dosest Care They Wish Death On Us

And When I Rest My Soul And My Heart Goes Cold
Will My Voice Still Live And Tell The Things That I Told
After My Funeral Im Gone From Da Block
Will My Name Still Talk Or Will I Be Forgot Yo

Your The Man Im Holding On
With A Breath I Sing A Song
And Flowers Gone 2morrow
Will The People Cry In Sorrow
I Dont Know If Im Alive Or Dying
But Alone I Be Here Crying
But I Know One Things For Sure
My Saddness Has One Cure

Im Prayin On My Knees But I Dunno What To Say
I Wonder If My Brothers And Sisters Went Away
I Wouldnt Drop The Mic Cuz That Wouldnt Be Right
If My Family Is Dying Then You'll Kno I'll Put A Fight
Lyrical And Pyschicaly I'll Do It All For Life
Nobody Is Forgotten Everytime They See A Light
Im Gonna Watch The World Through My Eyes Or
Through Words
This Girl May Be Small But Im Still In This World

When You Live Like Me You Kno Deaths Around The
Corner
Everyday Of Life I Live To Be A Goner
Weather Or Not I Make The Game Make The Fortune
Better Be Hot, Spittin Flames To Perportions
Its Like Everytime Im Close I Get Farther
Ima Stick To Street Life And Dont Even Bother
Got A Mic In My Left A Gun In My Right
If Death Is The End Wat Do I Do With Life?

Your The Man Im Holding On
With A Breath I Sing A Song
And Flowers Gone 2morrow
Will The People Cry In Sorrow
I Dont Know If Im Alive Or Dying
But Alone I Be Here Crying
But I Know One Things For Sure
My Saddness Has One Cure
