(feat. Kangel)

U Could Call This The End U Could Call It Good Bye
Cuz Wats Da Point Of Life If U Gotta Get High
Alone I Always Cry, When Im Plottin In My Cell
Cant Wait Till I Die See Me Rotten Deep In Hell
One Day They'll Hear My Tale, N My Life Long Struggles
How Everyday As Me Is Another Signof Trouble
I Aint A Stunt Double, Im One Of A Kind
N If U Think Life Is Easy Then Son U Must Be Blind
Always Promised To Find, My Road To Happiness
But Reality Cursed My Life With Full Of Stress
N I Push With My Best, My Soul And All My Heart
But Wat Do U Do When U Lose Before U Start
N It Seems I Always Part From The People I Love
At The End Of The Year They Turn To Rats N Bugs
Bunch Of Fakeless Thugs, Anyone Of Them Could Tell
Cuz Of Backstabbin Friends I Spent Christmas In Jail

Its More Than I Can Bare
This Is Ma Life That Isnt Fair
This Song Will Be My Last
I Have To Reminise The Past
I Saw Ma People Grow
I Guess Now It's My Time To Go
And Im Sorry If U'll Cry
But Now I Have To Say Goodbye,
Goodbye

In Life I Always Tryed To Make A Stand In Pride
But As Days Passed By I Kept Stayin Alive
N Wen I Lay N Die, Ill Keep Tellin Ya My Story
And Please Dont Cry When Im Murdered N Buried
N Does The World Worrie? Cuz My Life Aint Concerned
I Aint Afraid To Die Im Just Waitin For My Turn
The Pain Is Like A Burn, The Scar Will Never Go
N Its Hard Nowadays To Watch Ur Child Grow
Things They'll Neva Kno, N Things They Neva Heard
Cuz How Can U Trust If Noone Takes Ur Word
So I Soar Like The Birds N Keep On Smoking
N I Threw Away My Heart So It'll Neva Get Broken
The Doors Alrdy Open, Just Waitin For My Soul

Each Step I Take Closer See The Darkness As It Falls
My Eyes Start To Bawl, And I Cant Go On
I Just Hope Dey Kno My Name When All The Pain Is Gone

Its More Than I Can Bare
This Is Ma Life That Isnt Fair
This Song Will Be My Last
I Have To Reminise The Past
I Saw Ma People Grow
I Guess Now It's My Time To Go
And Im Sorry If U'll Cry
But Now I Have To Say Goodbye,
Goodbye
