[Chukie Akenz: Talking]

Yea

I'd Like To Dedicate

This Song

To All My Fellas

The Fellas Who's Been

In A Relationship

Who Just Had Thier Fucking

Hearts Torn Out

U Kno What I Mean

And I Realize

That Alot Of My People

Suffer From Heart Breaks

So Yo Check It Yea

[Rap/Verse:]

From Promises To Lies

To Every Tear Drop That We Cry

The Promises To Care

And Understand Eachothers Lies

From Struggles At Their Worst

We Said The Luv Would Never Change

So Why Do I Feel Lied To

Everytime It Seems

We Said We Had Eachother

Unconditional Luv

If This Is What Luv Is

Then I Think I've Had Enough

The Bullshit And The Drama

Was Nothin But Wasted Time

This Thing That We Call Luv

Is Jus Illusions Of The Mind

All The Smiles That We Have

Is A Story To Be Told

Nothing In This World

Could Make Up For All This Bull

The Problems That We Face

Was Something Just Reaching Out

We Should Of Took The Hint

That This Shit Won't Be Workin Out

I Mean What Were We Thinking  
All Those Times We Were Together  
Did U Really Think That  
We Would Be In Luv Forever  
At This Very Age We Shouldn't  
Be Playing This Game  
Now I Understand  
That Luv Is Pain

[Chorus:]

Luv Hurts So We All Cry  
Tears Droppin From Ma Eyes  
The Pain I Can't Explain  
All I Kno Is  
Luv Is Pain  
Luv Hurts So We All Cry  
Tears Droppin From Ma Eyes  
The Pain I Can't Explain  
All I Kno Is  
Luv Is Pain

[Kangel: Rap/Verse]

Through These Past Few Days  
I've Been Reminicing Back  
It's The First Time I  
Couldn't Understand What We Had  
Was It Luv  
Was It Pasion  
Was It All A Waste Of Time  
Now It's Hate  
Now It's Pain  
Now It's All This Shit Combined  
I Can't Force Myself  
To Erase All Our Memories  
When I'm Thinkin Back  
It Always Feels Like U Fooled Me  
Nobody To Blame But Myself  
For Being Blinded  
Cryin In My Sleep  
Hopin This Hurtin Passes By  
I've Been Told By My Sisters  
How These Guys Are All The Same  
But U Had Me So Convinced  
That My World Suddenly Changed  
U Always Made Me Smile  
But A Smile Isn't Forever  
I Guess It's Unpridictable  
Like Change In The Wheather  
I Thought We Worked It Out  
Like Those Other Times Before  
But The Truth Had To Reveal

We Can't Live A Lie No More  
I'm Still Young  
And I'm Still Tryin  
To Stay Tru To My Heart  
My Dreams Have Disappeared  
Now My Lifes Scattered Apart(Nooo)

[Chorus:]  
Luv Hurts So We All Cry  
Tears Droppin From Ma Eyes  
The Pain I Can't Explain  
All I Kno Is  
Luv Is Pain  
Luv Hurts So We All Cry  
Tears Droppin From Ma Eyes  
The Pain I Can't Explain  
All I Kno Is  
Luv Is Pain

[Talking:]  
This Is Me Kangel (Luv Is Pain)  
Dedicating This Song  
To All My Gurls  
Who've Gone Through Breakups  
Who Have Felt The Pain  
Of Losin Someone U Truely Luv  
And Who Has Lost All Hope  
In Their Dreams  
But Remember  
There Is Someone  
Truely Special Waiting  
Out There For U
