It's Chuckie A yo
Take me in.

Twenty-two now, still I breathe
It's what to do now
New rules, still the same game
I feel so screwed now
Hard life, struggle and fame
It's what to choose now
Think fast, bubble and came
True life is through now
Hood shit stuck in my heart
From blood to fluid
Real tears fucked 'em from start
They say new kid
No hope, trying to survive
Just make it through here
Long gone innocent smiles
Ain't nothing to it
Good friends some that are lost
I wish they hear me
Loved ones don't come and check
I miss them dearly
Finch block Jane is set
And so they fear me
No trust
Not knowing that nobody's near me
Fast lane come to a stop
Pull legal tender
Old times, all this support
From here to Denver
All them days that I rocked early December
Dues paid have they forgot?
Do they remember?

Time and time again
Came no matter rain
Days is slow to breathe
Feels like I can't see
[A] Randall]
Time and time again
Came no matter rain

No smiles right now it's true
But we going to make it through

Talk less, listen and more
You'd understand me
So cold, feel like it's war
I'm just so angry
Get high, trouble and thoughts
It's just what surrounds me
Dream big, only one shot
There ain't no plan B
One way, no nine to five
I'm moving faster, past you
Your life is time, mine's a disaster
Fake love, smoke up a blunt
And then they blast ya
So cold, litter of space is coming after
Unfair, too many years living on welfare
Hard knock, who really cares
You're by yourself here
Brown bricks, look all around
This ain't about fair
Broke heats, that's how we live
It's like a drought here
Real talk, I know what's right
I'm just supposed to
Go school, how the hell I
When I support food
No time, got to get mine
I'm on my own boom
One day, got to see sun
I know will come soon

Time and time again
Came no matter rain
Days is slow to breathe
Feels like I can't see
[AJ Randall]
Time and time again
Came no matter rain
No smiles right now that is true
But we going to make it through

Time and time again
Came no matter rain
Days is slow to breathe
Feels like I can't see
[AJ Randall]
Time and time again
Came no matter rain
No smiles right now that is true

But we going to make it through
