Turned away, turned away
Turned away, turned away
From love

Too many times I feel
We are losing time once shared
And only when you're in ecstasy
You seem to really care

Didn't you say not to worry
I can only speak for myself
How do you think that I'm happy, baby
With a love like mine
Locked up on a shelf

Remember my love had a place
It was a part of the game
And just when I went all the way
I'm in too deep
Girl, you made the choice
And sent away

[CHORUS]
(Turned away)
When you should've been giving
(Turned away) oh
As I started believing
(Turned away)
Just as I was living
(Turned away from love)

I discovered you were untrue
So unfortunate for you
There is nothing that I wouldn't do
I only gave you the best
I ever had to you

Don't let sympathy show her face
Girl, let's not pretend
I'm no longer in this race
You've got your space
Still it hurts me that you

[Repeat CHORUS 2x]

Don't turn away from my love
(Turned away from my love)
(Turned away from my love)

Turned away from love

[Repeat CHORUS 2x]

Turned away, turned away
Turned away, turned away...
