Taste of candy
On your fingers
You lick them off
Washing them clean

Traces still found
Your 60 years old
And your dire need
Of eyes to see

Don't you know what
You are living for
Will you let go
And come off the floor

Come fly with me
Away
Come fly with me
Away
Fly away
Or come with me

Entertaining
Sad addictions
You feel
The warm company
Listen up boy
To what i'm saying
Your life arrive now
Ride on me

Don't you know what
You are living for
Will you let go

And come off the floor

Come fly with me
Away
Come fly with me
Away
Find a way

To walk with me

Haha
Alright

Where will you be
Where are you now
It time
To pack your bags
And say goodbye

Listen up boy
See where i'm going
But your time
Had already arrived

Don't you know what
You are living for
Will you let go
And come off the floor

Come fly with me
Away
Come fly with me
Away

(3x):
Find a way
To walk with me
