I know for sure
That you'll never change.
Why I continue to love you,
The answer remains the same

Why do I, do I cry,
When I know nothing will change?
But if I keep holding on,
Just maybe, you'll see, that I

(Chorus)
I do need you
I do want you
I do need you
I do want you

Deep in my heart
I feel that you really do care, OH
Is it true what they say
That actions speak louder than words
And yours just isn't there

Why do I, do I cry,
When I know nothing will ever change?
But if I keep holding on,
Just maybe, you'll see, that I

(Chorus)

(Ricky Talks)

(Chorus) (2x)
