I'm so sorry, baby
I never meant to hurt you
Please forgive me

Tears I see drop from your eyes
Tell me why you cry
Guilt, I feel when you look at me
Did I let you down

Girl, you see that I, I apologize
Tell me what to do, to get through to you
Girl, it's not the same, I know I was to blame
Just tell me when will I see you smile again?

Tell me when will I see you smile again
'Cause I know I messed up, baby and I know you're fed
up, sugar
Tell me when will I see you smile again
'Cause I know I messed up, baby and I know you're fed
up, sugar

Promises I know I made many times before
And I broke each one of them
But I had to learn over and over again
Don't hurt the one you love

Girl, you see that I, I apologize
Tell me what to do, to get through to you
Girl, it's not the same, I know I was to blame
Just tell me when will I see you smile again?

Tell me when will I see you smile again
'Cause I know I messed up, baby and I know you're fed
up, sugar
Tell me when will I see you smile again
'Cause I know I messed up, baby and I know you're fed
up, sugar

Look, baby, listen, please forgive me for all the wrong
I've done
You see, I just can't understand
Why I keep making this same kind of mistake over and

over again
But there's one question that remains in the back of my
mind now
And that is when will I see you smile again?

Tell me when will I see you smile again
(Maybe we can talk it over)
'Cause I know I messed up, baby
(Maybe we can work it out)
And I know you're fed up, sugar

Tell me when will I see you smile again
([Incomprehensible])
'Cause I know I messed up, baby
And I know you're fed up, sugar
(Is there something I can do, hey)

Tell me when will I see you smile again
'Cause I know I messed up, baby and I know you're fed
up, sugar
Tell me when will I see you smile again
