"Why"

Visit "[Why](#)" on MotoLyrics.com

Light appears from nowhere
The end of greed is right here
Hope to find you somewhere
To show you oh the real fear
And we know what it means
Just to love this game
Now we feel like we're strangers
- lost in fate -
Why don't you come back
Made up my mind
It's yours for the asking if you like
Why don't you come back
Made up my mind
I know what we're up against
This time
A sign appears from nowhere
The end of grief is just here
Pray to find you somewhere
To tell you bout the real fear
And we know what it means
Just to love this game
Now we feel like we're strangers
Lost in fate
Why
