Rats bring the torment, dark clouds determinate
Grief and pain increasing, chaos has shown it's claw

Angels of life crying, angels of death roaring
A downfall never seen before, humanity forever lost

Feeding the armageddon - Feeding the world collapse
Feeding the armageddon - Spawned by satans
revelation

All life erased
Silence is upon them
Rites, genocide
A curse now unleashed

Rats bring the torment, dark clouds determinate
Grief and pain increasing, chaos has shown it's claw

Feeding the armageddon - Feeding the world collapse
Feeding the armageddon - Spawned by satans
revelation

All life erased
Silence is upon them
Rites, genocide
A curse now unleashed

Blood runs red, evil reality present
Blood runs black, all dreams forgotten

Angels of life crying, angels of death roaring
A downfall never seen before, humanity forever lost

Feeding the armageddon - Feeding the world collapse
Feeding the armageddon - Spawned by satans
revelation

All life erased
Silence is upon them
Rites, genocide
A curse now unleashed
