Chunk! No, Captain Chunk! - "I Am Nothing Like You"

I bought you death by what you say
I can feel the whole thing eat away
I will never be the same again
Now it's time to break it out

Your life is now a diferent fate
Your life is now a diferent fate

I know the one you used to be
You'll never be the same and you're the only one to
blame
'Cause you're not a friend
You're such a shame
It's time to figure out your life
You're everything I hate, you're everything I want to
fight
This is your fate
Forget my name

So we know that
Let everything change
I am nothing like you
I bet that you'll feel like, each time I lie while seconds
Bitch, I'm not ill anymore, are you afraid I'll forget?

I know the one you used to be
You'll never be the same and you're the only one to
blame
'Cause you're not a friend
You're such a shame
It's time to figure out your life
You're everything I hate, you're everything I want to
fight
This is your fate
Forget my name

I bought you death by what you say
I can feel the whole thing eat away
I will never be the same again

Now it's time to break it in!
Now it's time to break it in!
This is a breaking time for me
Bitch, you will not be here to say
I am my enemy
I'll fall again
I pray that when I do
You're now the worst piece of shit
You're just a piece of shit
