Japanese Girl

Stay, stay till the sun just arise for the sea
Kiss me goodbye so our souls will be free
I won't forget you my love from Japan
Say, that you'll always be part of my life
Live that the flower of passions arrive
When I am back in my own time again
I am in danger

Japanese girl in your eyes there is a fire of man's
desire
I love you
Japanese girl and I know
You vacation of broken hearts

Japanese girl

You, you look so sad by the light of the moon
Awfully tears full like the monsoon
You are always trapped in the hands of my heart
Why, why did you fall for a stranger like me?
Soon I'll have to leave you alone can't you see
We will be drowned in an ocean of blue
It's all over

Japanese girl in your eyes there is a fire of man's
desire
I love you
Japanese girl and I know
You vacation of broken hearts

My Japanese love

I am in danger

Japanese girl in your eyes there is a fire of man's
desire
I love you
Japanese girl and I know
You vacation of broken hearts

Japanese girl

My Japanese love
