You make me say ow...

Chunky, chunky A  
Chunky, chunky A

I've had many girlies  
In my life and time  
Light, dark, short, tall  
Women of all kind

A ister named Velda  
A snow named Gidget  
I even got busy  
With a cute little midget

But nothing made my heart sing  
Nothing seemed to last  
The future looked dim  
Just like the past

Surprise from the sky  
Fell a dream called you  
No one's ever rocked me  
Quite the way that you do

Cause your love  
(Your love, your love)  
Makes me say owww  
So good to me, girl

Your love  
(Your love, your love)  
Makes me say owww (oww)

It, it, it hurts so good  
When you do what you do  
You're the end of the line  
I wanna stay with you

Whitney Houston, Madonna  
And even Brooke Shields  
Don't come close to you

The real deal

You're erotic, exotic  
A chocolate ton of fun  
Every woman I need  
All wrapped into one

More cushion for the pushing  
I hope you can hang  
Let's spread cake on your body  
And we'll do the wild thing

Cause your love  
(Your love, your love)  
Makes me say owww  
Baby, don't you know

Your love  
(Your love, your love)  
Makes me say owww (oww)  
Come on, get busy with me, girl

Cause your love  
(Your love, your love)  
Makes me say owww  
Baby, don't you know

(Your love, your love)  
Makes me say owww (oww)  
Your love (your love)  
It makes me say owww

Makes me say, makes me say  
Makes me say, makes me say...

Ow, ow, ow... (makes me say)  
Get busy (makes me say)  
Huh, get busy

Chunky, chunky A  
Chunky, chunky A (get busy)  
Chunky, chunky A  
Make me breath hard, girl

Makes me say (ow)  
Makes me say (ow)...  
Put your hands together now  
Horns

Baby, your love  
Makes me say owww

Your love  
(Your love, your love)  
Makes me say owww  
Ow, ow, ow

Your love  
(Your love, your love)  
Makes me say owww (oww)  
Make me write blank  
Checks to you, girl

Your love  
(Your love, your love)  
Makes me say owww

Your love  
(Your love, your love)  
Makes me say owww (oww)  
Oh, it hurts so good, girl

Fire (your love, your love)  
That's how your love feels, girl  
Like fire, hey, hey, hey, fire  
(Your love, your love)  
I feel like fire

It makes me say ow, ow, ow...
