(Chorus):

When I get this way I need a change of mind
then I think of you and leave it all behind

Some days are hard for me to bear
I don't seem to have the strength to hope
I don't seem to have the strength to care
but I know that if I let You, You will care for me
but Lord it ain't easy

Lord I need you by my side, Lord I need you, No

need to worry look up child, look up, I give up
trying to make it on my own, try to go it all alone,
Father, Lord let me find peace, let me find hope,
let me find love, when I look up

(Repeat chorus)

Hold me close, stand by me

(Repeat chorus)
