Once upon a time, I was searchin' for  
Love that would break thru chains of mine  
I was broken, hurt and abandoned,  
By a life not quite what I had in mind

Then I fell down on my knees and  
Prayed release me from this pain,  
Take away these clouds and  
let the sun shine down again  
all at once I felt the ceasing of  
the pouring rain  
a blaze of light shot thru my soul and tore away my  
chains

(Chorus):

And now I'm free, I'm free at last,

Free to live the life I want forget about my past  
Now I'm free, I'm free at last -  
Free to hope, free to dream, free to love at last

But ever since my independence day I've been  
released  
From things that used to hold me back from finding  
perfect  
Peace,  
Walls I'd built around my life have crumbled around  
me  
My old life has passed away I'm keeping it deceased

Repeat chorus
