For who shall give their life away to God shall find  
it so give your live away

You've been searchin' for the answer to life's great  
Mystery  
What's the purpose of our lives here, specks of sand  
In history

Well I know there's a way to dispel all the grey  
And make blind eyes to see  
I found purpose in knowing the one who created  
Me

(Chorus):  
I found love, when I gave my heart away,

Perfect love came in to stay  
I found love, heavens gates are opened wide,  
Break on thru to the other side

As you gaze out on this waster land that we call  
Society  
And you realize how you've messed it up spiraling  
Down thru history

Don't give up there is hope at the end of the road  
There is peace for you and me,  
Open your heart to truth and be set free

(Repeat chorus)
