(Chorus):

I can be who I want to be, do what I want to do
I have found the truth and the truth has set me free
I can be who I want to be, do what I want to do
I have found the truth and the truth has set me free

Well I sought the world in my quest to satisfy
I never got anywhere just anesthetized
til I found a church of a different kind

a freedom of soul and a peace of mind

(Repeat chorus)

Let the walls fall down to the joyful sound,
God's people unified, you know we're down,
One tribe, one vibe, unified in cause and mission
I will celebrate what I call my freedom of religion

(Repeat chorus)
