Mind you see
Through walls of being.
Built on terror
From life around.

See the world
From which you came.
You have no part
But to be enslaved.

[Chorus:]
Lurking into
The unknown fear.
Signs of life
Which have past.
Excruciating,
Sickening pain.
Final breath
Is your last.

[Chorus 2:]
Time to pray
Mindscrape
The choice is free
Time to pray
Mindscrape
Succumb to greed

Torturing your mind,
Caved-in surroundings.
Forcing outbreak,
Trapped by inner-self.

Ever-growing need
From what to expect.
Future holds nothing
Life is a wreck.

[Chorus]

Pay for remorse
Of which to pay.

Life of suffering
Dying day.

[Chorus 2]

Masters of greed
From which you feed.
No escape
From this world of hate
