As I fall away, immortal visions reign  
Gateway to the unknown successor  
To former lives  
Bring to me the stench  
Of burning hate  
Slaves of revelation call  
Final warning, final fate

As I fall away  
Salvation  
Rejects me

Blood stained salvation  
Handed down with faith  
Eternal fear a just reward  
Something for revenge  
I hear the voices cry  
Beckon to be told  
An ancient truth unveiled  
A fortress of deceit

Seasons of decay, harvest of souls  
Faith condemned  
Shamed once again  
Emptiness fills my void
