Procession for living souls,  
Victim of the sins of man.  
Resurrection fortold,  
Denial of the lamb.

For every breath I try,  
I know that I must die.

Scourging at the pillar

Procession for living souls,  
Victim of the sins of man.  
Resurrection fortold,  
Denial of the lamb.

For every breath I try,  
I know that I must die.

As I grip my cross,  
This pain I feel.  
The son of man,  
Afterlife revealed.

As I grip my cross  
Shedding blood-tears.  
Thoughts of the dying world,  
Betrayal and fear.

Crowned king, then crucified,  
My life is sacrificed.  
Fate of mankind,  
Realize, time to die
