Punisher of Flesh Kill You Where You Stand
My Aggressive Hate Goes Unchallenged
Beware My Sinful Misery
Unholy God of Agony

Murderous Deathlunge Into Prey
Enemy Conquest Takes Control
Soul Destroyed Denied Mercy
Nothing Left Sickened To Behold

Die A Shameful Death Nothing For Your Life
Drowning in Your Own Blood
Choking Black Death
Punishment Sadistic Control Torture
Defy Degrade Your Pathetic Self

Terrorize
Horrify
Annihilate
Steal Your Face
