Think of tedious nights
Then I don't wanna keep you
I can go without permission
You like to keep a tight
Rein on me, so I think
I have to get out
What a vision!
Your trueself comes to light
So I don't wanna trust you
I can go without permission
You don't cut no ice
And I don't wanna change
My mind - it's good to be a...
Come down to earth
Killer of today - no way!
Nothing more to say
Stop moanin' about it
Killer of today - no way!
Nothing more to say
Stop moanin' about it
Back to back we lie
And I don't wanna kiss you
I will go without permission
No one far and wide
Yes I don't wanna be
The last to go without permission
Come down to earth
Killer
