You are the one to realize  
You are the one to realize  
You are the one to realize  
You are the one to realize

And it's gettin' dangerous  
To see my love away  
And it's gettin' dangerous  
To wait another day

You are the one to realize  
You are the one to realize  
You are the one to realize  
You are the one to realize

And it's gettin' dangerous  
For me to hear you say  
And it's gettin' dangerous  
To see you go astray

And it's killin' me enough  
To keep it all away  
And it's killin' me enough  
To leave and not to stay

You are the one to realize  
You are the one to realize  
You are the one to realize  
You are the one to realize

Hi, get your heart out  
Come and make me see, oh  
Hi, long time runnin' to believe in me

You are the one to realize  
You are the one to realize  
You are the one to realize  
You are the one to realize

You are the one to realize  
You are the one to realize  
You are the one to realize

You are the one to realize  
Lize, lize, lize, lize
